Dear Mr Hickson,

This is just to let you know how matters are progressing towards the new village hall.

As you may have seen in the local press the old hall site was sold privately after failing to reach its reserve at the auction. Fortunately the final figure was for the reserve price of £18000.

Further fund raising has now brought that total to approx £3490.

We have been given to understand by Mr Charles of the C.F.A. that our renewed Grant application will be under consideration on Oct. 2nd. I will of course let you know when we hear the result.

Dear Mr Charles,

This is to confirm my telephone message to you last week that our old hall site was finally sold to a later bidder for £18000, thus reaching its reserve price.

Also with further fund raising & the remarkable price realised by the sale of an old oak table from the hall — £410 — the rebuilding fund now stands at £3490, entirely from this village's own efforts.
