Children absent getting greens or wood

April 4th

Several of the children are frequently kept away to go into the fields to pick greens, and others to pick up wood. The Rev. W. Brodie gave his "weekly Scripture lesson". Mr. Dylwin took a sewing class one afternoon. Miss Green, the Assistant-Mistress was unable to attend for 4 days on account of indisposition. James Russell being kept in for playing truant, his mother fetched him out of school.

10th Broke up the School for Easter

24th Commenced school on the 20th. Many of the children are absent. One afternoon there were 26 absent who were present in the morning. Upon making inquiry the next morning 24 were sent to get wood or greens, and daily there are more or less absent for the same cause.
